SWATCH INSPIRATION

I WANTED this to be a very pretty lacy poncho that would add elegance to any garment worn beneath. It was designed to be worn with either day or evening apparel. The more open sections of the main stitch pattern were used at the bottom and neck edges for a delicate and feminine feeling. The name for the poncho comes from the Italian word for “fly.” The main section resembles an elegant creature that could take flight.

Instructions on page 296.

Frost Flowers Pullover

PG185

INSTRUCTIONS

Back/Front (make 2)

CO 126 (138, 156) sts.
